7. Community Impact Plan
 - a. We do not anticipate this will affect the safety or welfare of nearby residents and businesses. Hennepin Ave is already a bustling intersection filled with various city noises from residents, pedestrians and existing sidewalk cafes. In addition we will stack and secure all of our outdoor furniture with a locking device at the closure of the sidewalk café daily to ensure it is not able to be utilized by the public.

b. In the event that someone was rowdy, and we were unable to calm them with professional communication, we would call the police.

c. A staff member from each shift will be assigned to check the premises within a 100 foot radius of our establishment between the hours of 7:00 a.m. - 8:00 a.m. , 3:00 p.m. – 4:00 p.m. and 10:00 p - 12:00 midnight daily.
